

American Lincoln Parts

American Lincoln Parts - The American Lincoln division is currently connected with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning equipment that are known within the business as strong and durable machinery which suits all the requirements of heavy industry and larger infrastructure. Products made in the United States of America; the sales are conducted nation- wide via authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind version of floor scrubber. Clark has their manufacturing facilities located in Springdale Arkansas. These scrubbers are on the market under the brand name "Encore". American Lincoln has the ability to provide equipment, components and warranty service for these scrubbers which have both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice equipment of huge distribution centers like Wal-Mart and Target. The 7765 line has earned the respect of various facility managers where results and efficiency count. Recently, this floor scrubber model has been used by the architects in various construction jobs such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this sweeper scrubber on site because of the model's high standard of quality and supreme performance level for polishing concrete.
